ORAL JUDGEMENT

None appears for and on behalf of the petitioner.

I have heard Ms. B.R.Gajjar, learned Assistant  
Government Pleader appearing on behalf of the Respondent

no.1 -State of Gujarat. The writ petition has been filed by the petitioner claiming relief that the respondent -Government be directed to recognize to Post-Graduate Diploma & Certificate Courses in Computer Science & Management conducted by the petitioner trust.

It appears that the Government has rejected the prayer of the petitioner on the ground that it is not within the ambit of the State Government to recognize such technical institution for Post-Graduate Diploma & Certificate Courses in Computer Science and Management as there is a Computer Society of India which is a Professional Organisation and it has its chapter at prominent places in India and they conduct various examinations in Computer Science and as these examinations are conducted all over India, the petitioner trust can train the students for those examinations. The petitioner trust is imparting certain courses of Computer Science. I am of the view of that it is not obligatory on the part of the State Government to recognize such institution, when such matters are dealt with by the Technical Education, the Ministry of Education of the Central Government for recognition to such a technical institution. There is no sufficient papers to show that the petitioner has any cause to file this writ petition. I do not find any merits in the matter and accordingly it is dismissed. I make no order as to costs.
